As the weather is now getting warmer could we ask that all children have a water bottle in school everyday and also bring a cap/hat to school to protect them from the sun. Sun cream should be applied before school, sun cream can be kept in school to be reapplied during the school day.

We are sure you have noticed our lovely new plant/veg beds by the farm area. We are looking for keen gardeners to volunteer to help plant and nurture this area. If you or know anyone with a couple of hours per week available please let us know. Thanks

Well done to all of our year 6 children who did their SAT's tests this week. You all did amazing and we are very proud of you!!
