

St. Mary's Newsletter

With God's help, we reach for the stars.

Year 5 enjoyed learning more about forces and space on their trip to Jodrell Bank this week, they all behaved really well and were a credit to the school.

Last Friday St. Mary's competed at the Northwood Town Athletics competition. They all did amazing, the girls came 3rd and the boys 5th giving an overall place of 4th out of the 10 schools competing. 10 of the children have qualified for the City event which takes place in July. Well done to everyone that took part.

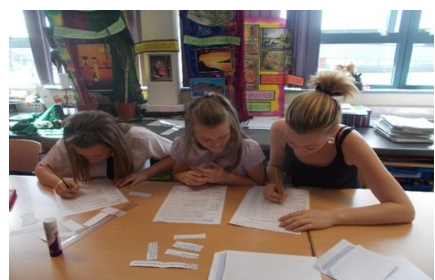

Year 2 had a great day at Chester Zoo this week, the rain did not spoil the fun!

Reception had an amazing day this week at Blue Planet. They particularly enjoyed the theatre show where the stingray were being fed.

As the weather is now getting warmer could we ask that all children have a water bottle in school everyday and also bring a cap/hat to school to protect them from the sun. Sun cream should be applied before school. Could we also ask that every child has their own sun cream in school, labelled with their name, which can be reapplied during the school day, when required.

Year 5 parents came to work alongside their child on Tuesday - some parents participated in an English - grammar-based session while others had a taster of a mathematics session. Thank you to all the parents who attended. It was great to see you and wonderful that you participated in the activities.

- *Monday 19th June - Year 4 to Liverpool Museum*
