

Interesting in teaching? Then why not train to teach with us?

Our school works in conjunction with the Keele and North Staffordshire Primary SCITT (KNSPS), providing Initial Teacher Education in PGCE, School Direct and School Direct Salaried Routes.

The vision of KSNPS is expressed in the logo 'Rooted In Evidence, Reaching for Excellence'; the course provides a distinctive combination of subject specialisms rather than a purely generalist training; the course places a strong emphasis on high quality school-based input supported by the academic rigour of Keele University. KNSPS works in close partnership with schools and other organisations in Stoke-on-Trent, Staffordshire and East Cheshire.
